

**Donate And Support Relief Efforts for Tsunami Victims
Make That Difference Now!**

A powerful earthquake that resulted in tsunami waves jolted much of Asia and caused widespread destruction and tens of thousands of deaths and injuries. Affected countries like Indonesia, Sri Lanka, India, Thailand, Malaysia need your help today.

We can make a difference now by supporting worldwide recovery efforts made possible by many organization groups which include the Hong Kong Red Cross, Worldvision Unicef, Oxfam, Medecins Sans Frontieres, and The Salvation Army.

The Group is launching a matching program whereby for every dollar you donate, the Group will donate 1.5 times that amount to these relief organizations.

So, make your donations now to the Human Resources department via your Department Heads on or before January 5, 2005.

And....thank you for your contributions.

Wishing you all a Peaceful and Healthy New Year
